

## **RoHS Declaration of Compliance Products as of April 14, 2017**

The devices identified in this certificate are in compliance with the European Union Directive 2011/65/EU on the restricted use of certain hazardous substances (RoHS/RoHS2 Directive).

Based on information provided by our suppliers, MicroRidge Systems, Inc. designates the devices listed in this certificate as RoHS compliant. RoHS compliance means that:

- Suppliers have confirmed compliance status of relevant products to MicroRidge.
- MicroRidge has implemented rigorous processes to ensure materials used in the final manufacturing processes are compliant.

For the purposes of this RoHS Certificate, the maximum concentration values of the restricted substances by weight of homogeneous materials are:

- Hexavalent chromium 1,000 ppm
- Poly-brominated biphenyls 1,000 ppm
- Poly-brominated diphenyl ethers 1,000 ppm
- Cadmium 100 ppm
- Mercury 1,000 ppm
- Lead 1,000 ppm

The following MicroRidge products are RoHS compliant:

- GageWay Interfaces – all active part numbers
- MobileCollect Wireless – all active part numbers
- WedgeLink Keyboard Hardware Wedges – all active part numbers

Please contact MicroRidge regarding any products not listed.
